

# Winter Vegetable Conference

## Conference Sponsorship

February 18<sup>th</sup> – 19<sup>th</sup>, 2009

The Winter Vegetable Conference of the N.C. Tomato Growers Association (NCTGA), in cooperation with NC Cooperative Extension Service, N.C. State University and the N.C. Department of Agriculture & Consumer Services, offers educational opportunities and supports research efforts beneficial to all Western North Carolina vegetable growers. While the NCTGA's name implies the group is solely focused on tomato production, the Board of Directors and Advisors have taken responsive steps towards fulfilling growers' diverse horticultural needs in this region. This program reflects these needs and interests by covering many aspects of production, business management and marketing with typically over 200 area growers attending this conference annually. Although NCTGA is the only association providing these opportunities to Western North Carolina producers, the Association's achievements would not have been possible without the support of our sponsors.

	<u>Amount</u>
<b>BRONZE SPONSOR</b>	\$500 _____
Includes: Signage at exhibitor booth One Exhibit Booth & 2 Representative Registrations Associate membership Recognition in Conference Program Recognition on <a href="http://www.ncTomatoes.com">www.ncTomatoes.com</a> .
